Synopsis 1							

Incoming call from [REDACTED] to Chris Oakes. Eddie LNU also on the call.

CO: Hello

[REDACTED] Alright, so I'll give him "shot 2" (hard to discern). Uh only Epilette gets 2, right?

CO: you what?

[REDACTED] I said the one here doesn't get 2, only Epilette gets 2, correct?

CO: Well, you're gonna give him banamine, because your gonna... you're at Pocono

[REDACTED] Yea (talking in background)

CO: Did you inject that horse yet or not?

[REDACTED] No

CO: Huh?

[REDACTED] No

CO: Where's Eddie at?

Eddie: I'm right here (IR)

CO: Do his eh... where is it?

Eddie: I got it right here, we need your help. (IR)

CO: Oh, do that Epic Union. Do his lower knees and his front ankles with that clear.

Eddie: Ok

CO: Don't bother with his hind ankles, he'll be fine. Just do his front ankles and his knees, and then shock that left hind suspensory.

Eddie: Ok..... (IR) to drench him right?

CO: Huh?

Eddie: I told [REDACTED] that you wouldn't want to drench that horse

CO: Nah, you know what I was thinking you could do. Just give him uh, that horse, give him uh the mark you know the Baycocks. And you gotta be watching him because he holds everything in his mouth and then he spits it out.

[REDACTED] You gotta give it slow.

CO: The other horse you can drench

Eddie: Yeah we got one made up for Epilette..... about 2 of Epilette, the ECP, (IR).....he gets a shot of "bute" today.

(Indiscernible over-talk)

CO: and give epogen and a blood shot.

Eddie: You wanna give blood shot too? Ok. We can give him a little bit.

CO: ECP.....just have (IR)...

[REDACTED] Hold on dude, you're talking to fast.

Eddie: Nah, he's breaking up Hunter, that's what it is.

CO: Epic Union, not Epilette, 3 CCs of the blood shot

Eddie: Yes, yes
